DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. Cheng and Hayakawa are the closest pieces of prior art. However, neither reference teaches or fairly suggests the apparatus as claimed and comprising a first gas flow path **defined by the mounting table and the second heating apparatus (claims 1-15) OR a gas flow defined by the clamp, the second heating apparatus, and the mounting table when the clamp is moved to a position where the claim clamps the target object.** Additionally, no other piece of prior art provides motivation for combining the features with those of Cheng and Hayakawa.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
